

## Nayara Energy commemorates World Health Day by augmenting healthcare services in 10 villages in Devbhumi Dwarka

· Aims to benefit 60,000 people in the community through dedicated healthcare initiatives

**April 12, 2021, Vadinar:** Nayara Energy, a downstream energy company of international scale celebrated World Health Day by augmenting its community health program in Vadinar, Devbhoomi Dwarka district. The company also launched a Mobile Health Van that will provide services to more than 20,000 people across ten villages. Moreover, the company has also renovated the Allopathic dispensary. The new facilities were inaugurated by Dr. Narander Kumar Meena – IAS, Collector & District Magistrate, Devbhoomi Dwarka, amidst presence of distinguished guests from district administration, local health departments and senior officials from Nayara Energy.

Speaking about the criticality of the healthcare services, **Dr. Narander Kumar Meena – IAS, Collector & District Magistrate, Devbhoomi Dwarka** said, *“Over the years, Nayara Energy’s efforts to support the health of the community have significantly benefitted many villages in the Devbhoomi Dwarka district. We laud their commitment towards the region and encourage their continued efforts to strengthen public health. We welcome the company’s support towards making communities safer and healthier, especially during the pandemic.”*

Sharing his views, **Prasad Panicker, Director & Head of Refinery, Nayara Energy** said, *“Nayara Energy’s Community Health Programme aims to provide primary healthcare services, pathological facilities, and emergency response infrastructure. Since 2007, the community health programme has continued to provide much-needed accessibility and healthcare services to 15 villages, reaching out to more than 60,000 patients annually. Our intensified efforts towards community healthcare are designed to provide technologically advanced services that enable both preventive and curative healthcare.”*

### Highlights of the services in the community health program

- Mobile Health Van provides healthcare access to more than 20,000 people across 10 villages twice a week
- Daily services of MBBS doctors in Jakhar, Vadinar, Bharana, and Kathi Devariya, impacting more than 16,000 people across 4 villages
- Better health infrastructure through the renovated allopathic dispensary in Vadinar, benefiting ~9,000 people
- Installation of handwashing station
- Demonstration of health kiosks providing improved diagnostic service

### About Nayara Energy

Nayara Energy is a downstream energy and petrochemicals company of international scale with strong presence across the hydrocarbon value chain from refining to retail. In August 2017, the company was acquired by international investors, Rosneft and an investment consortium comprising of global commodity trading firm, Trafigura and UCP Investment Group. The company owns and operates India’s second largest single site refinery at Vadinar, Gujarat with a current capacity of 20MMTPA. The refinery is one of the world’s most modern and complex refineries with a complexity of 11.8, which is amongst the highest globally. Nayara Energy’s fuel retail network consists of 6000+ outlets across India and is the fastest growing private retailer in the energy sector.
