

Nayara Energy extends support to Jamnagar's GG Hospital by providing two ultra-modern machines worth Rs. 50 lakhs

High-end USG machine with monitor and CBC 3-part machine will provide more convenience in health check-up of patients

Jamnagar, June 24, 2026: Nayara Energy, an integrated downstream energy and petrochemicals Company of international scale, extended support to Shree Guru Gobindsinhji Government Hospital in Jamnagar by providing a high-end USG machine with monitor and CBC 3-part machine worth Rs. 50 lakhs. These two ultra-modern machines will provide more relief and convenience in health check-up of patients.

Some time ago, as part of its Corporate Social Responsibility, Nayara Energy had provided necessary equipment to Shree Guru Gobindsinhji Government Hospital in Jamnagar and District Government Hospital in Khambhaliya to enable more efficient medical diagnosis.

To ensure that patients admitted to the Shri Guru Gobindsinhji Government Hospital in Jamnagar, considered the largest in Saurashtra, do not have to spend a lot of money outside for some necessary tests, the hospital authorities appealed to Nayara Energy to provide the machine. Therefore, Nayara Energy provided a high-end USG machine with a monitor and a CBC 3-part machine as per the requirements of the hospital at a cost of Rs. 50 lakhs.

The high-end ultrasound system machine for advanced diagnostic imaging will prove to be very useful for diagnostics like radiology and diagnostics, obstetrics and gynaecology, cardiology, vascular studies, interventional procedures, emergency and critical care, musculoskeletal imaging and CBC 3-part machine for blood cell count, WBC differential, haemoglobin measurement, haematocrit and RBC indices etc.

About Nayara Energy

Nayara Energy is an integrated downstream energy and petrochemicals company with a formidable presence spanning across the entire hydrocarbon value chain, from Refining to Retail. Nayara Energy operates in India for India driven by a relentless commitment to fuel the nation's energy aspirations. At the heart of our operations lies the Vadinar refinery, India's second-largest single-site refinery with a capacity of 20MMTPA. With over 7000 Retail Outlets, we cater to the need for reliable and safe mobility across the length and breadth of the country. We have adopted a phase wise asset development strategy and have forayed into petrochemicals sector with a 450 KTPA Polypropylene plant which is a significant step in our crude to chemicals journey. Through sustainable development projects in Health and Nutrition, Education and Skill Development, and Sustainable Livelihoods, Nayara Energy enhances the quality of life in the communities it operates in. Delivering value for all our stakeholders is at the very core of our beliefs and we are committed to providing the energy that fuels the dreams of our employees, customers, partners and communities.
