

Nayara Energy launches cleanliness initiative at six iconic places of Dwarka pilgrimage site

- *Resolved to create a clean environment for visitors and tourists by bringing together renowned institutions of the country*
- *Planned to provide necessary support to local and state level government agencies on integrated waste management*

Jamnagar, Date. 28 July 2026: Nayara Energy, an integrated downstream energy and petrochemicals company of international scale, has launched a cleanliness initiative at six iconic places of Dwarka pilgrimage site as part of promoting the Clean Iconic Places initiative of the Government of India.

The aim of this initiative is to strengthen waste management systems, improve cleanliness and create a cleaner and more sustainable environment for visitors. A workshop was organized in Dwarka regarding this. It was attended by officials from government offices associated with the initiative as well as officials from renowned institutions of the country as determined by Nayara Energy.

Under this initiative, solid waste management, liquid waste management and sanitation related works will be undertaken at six important heritage and pilgrimage sites in Dwarka. These six sites include Shri Dwarkadhish Temple Complex, Shri Rukmini Temple Complex, Shri Nageshwar Temple Complex, Shri Bhadrakshwar Temple Complex, Shivrajpur Beach Entry Area and Shri Bet Dwarka Temple Complex.

The Swachh Iconic Places (SIP) is a central government initiative under the Swachh Bharat Mission Grameen aimed at transforming 100 heritage, spiritual, and cultural landmarks across India into world-class "Swachh Tourist Destinations". The multi-stakeholder project aims at enhancing the experience of domestic and foreign visitors by improving the sanitation and cleanliness standards at and around the sites.

The workshop was attended by senior officials of renowned organisations like India Sanitation Coalition, CDD India and Sahaj Zero Waste Management Private Limited, Sub-Divisional Magistrate Shri Himanshu Chauhan, Mamlatdar Shri A.D. Bheda, Dwarka Municipal Corporation Chief Officer Shri Ashwin Gadhvi, officials from different government departments and leaders of trade associations.

About Nayara Energy

Nayara Energy is an integrated downstream energy and petrochemicals company with a formidable presence spanning across the entire hydrocarbon value chain, from Refining to Retail. Nayara Energy operates in India driven by a relentless commitment to fuel the nation's energy aspirations. At the heart of our operations lies the Vadinar refinery, India's second-largest single-site refinery with a capacity of 20MMTPA. With over 7000 Retail Outlets, we cater to the need for reliable and safe mobility across the length and breadth of the country. We have adopted a phase wise asset development strategy and have forayed into petrochemicals sector with a 450 KTPA Polypropylene plant which is a significant step in our crude to chemicals journey. Through sustainable development projects in Health and Nutrition, Education and Skill Development, and Sustainable Livelihoods, Nayara Energy enhances the quality of life in the communities it operates in. Delivering value for all our stakeholders is at the very core of our beliefs and we are committed to providing the energy that fuels the dreams of our employees, customers, partners and communities.
