

Nayara Energy provides 12 vehicles for field support to District Tuberculosis Center

CSR initiative to boost TB eradication campaign: Equipment for disease diagnosis also donated

Jamnagar, 19 May 2026: Nayara Energy, an integrated downstream energy and petrochemicals company of international scale, has provided 1 four-wheeler and 11 two-wheelers to the government's District Tuberculosis Center, making a total of 12 vehicles. In addition, 15 machine units required for TB diagnosis have also been donated.

Nayara Energy is starting to provide nutrition kits to tuberculosis patients from the year 2021-22. Currently, 16,000 kits are being provided to 8,000 patients. Meanwhile, an assessment was conducted by the TB Center to enhance infrastructure to accelerate the Prime Minister's TB Free India Campaign. Based on this assessment, Nayara Energy announced its support as part of its corporate social responsibility to strengthen the four pillars of the campaign, namely, detect, treat, prevent and build, by donating vehicles and diagnostic equipment.

Near the entrance of Nayara Energy refinery, Head of Vadinar Refinery Shri Amar Kumar, members of the leadership team handed over the keys of the vehicles to the Head of District Tuberculosis Center and District Health Officer Shri Dr. Pankaj Kumar Singh and his members and all the vehicles were flagged off.

These vehicles include a utility vehicle for the district team to carry out field monitoring and 11 two-wheelers for the Senior Treatment Supervisor, Senior TB Laboratory Supervisor and District Coordinators. In addition, a Truenat NAAT machine for Lalpur Community Health Center and 15 microscopes for primary health centers were donated.

This collaboration with Nayara Energy will strengthen the District Tuberculosis Center's primary and critical health systems such as molecular testing, follow-ups, mobility for contact tracing, speed in providing initial treatment, etc.

About Nayara Energy

Nayara Energy is an integrated downstream energy and petrochemicals company with a formidable presence spanning across the entire hydrocarbon value chain, from Refining to Retail. Nayara Energy operates in India driven by a relentless commitment to fuel the nation's energy aspirations. At the heart of our operations lies the Vadinar refinery, India's second-largest single-site refinery with a capacity of 20MMTPA. With over 7000 Retail Outlets, we cater to the need for reliable and safe mobility across the length and breadth of the country. We have adopted a phase wise asset development strategy and have forayed into petrochemicals sector with a 450 KTPA Polypropylene plant which is a significant step in our crude to chemicals journey. Through sustainable development projects in Health and Nutrition, Education and Skill Development, and Sustainable Livelihoods, Nayara Energy enhances the quality of life in the communities it operates in. Delivering value for all our stakeholders is at the very core of our beliefs and we are committed to providing the energy that fuels the dreams of our employees, customers, partners and communities.
