

Nayara Energy provides 11 e-rickshaws for solid waste management

Families from 11 villages surrounding refinery to get door-to-door garbage collection facility

Jamnagar, June 24, 2026: Nayara Energy, an integrated downstream energy and petrochemicals company of international scale, has provided 11 e-rickshaws to Gram Panchayats to provide door-to-door garbage collection facility to 11 villages near its refinery.

Under the Swachhh Halar Rural Project, Nayara Energy has expressed its commitment to give a boost to the waste management system in rural development through this initiative. 11 electric rickshaws were launched to promote an eco-friendly approach to household waste collection and proper disposal. These rickshaws were allocated to the Gram Panchayats.

Under this community ownership system, these vehicles have been allocated to the gram panchayats of Jamnagar and Devbhoomi Dwarka districts such as Modpar, Nana Ambla, Mota Ambla, Nana Mandha, Mota Mandha, Vadalía Sinhan, Kakabhai Sinhan, Kajurda, Timbdi and Kathi Devalia. Through these vehicles, entire households of 11 villages will get door-to-door garbage collection facility. The work being done by Nayara Energy as part of its corporate social responsibility has become commendable in rural areas.

The 11 electric vehicles provided by Nayara Energy have two compartments for collecting wet and dry waste, GPS and microphone system in all the vehicles, 5-year warranty for maintenance as they are provided to the gram panchayats on ownership basis. There will be direct supervision of an implementing organization to enable efficiency in the door-to-door garbage collection service. This initiative of Nayara Energy will provide relief to the gram panchayats from the costly method of getting vehicles on rent.

About Nayara Energy

Nayara Energy is an integrated downstream energy and petrochemicals company with a formidable presence spanning across the entire hydrocarbon value chain, from Refining to Retail. Nayara Energy operates in India driven by a relentless commitment to fuel the nation's energy aspirations. At the heart of our operations lies the Vadinar refinery, India's second-largest single-site refinery with a capacity of 20MMTPA. With over 7000 Retail Outlets, we cater to the need for reliable and safe mobility across the length and breadth of the country. We have adopted a phase wise asset development strategy and have forayed into petrochemicals sector with a 450 KTPA Polypropylene plant which is a significant step in our crude to chemicals journey. Through sustainable development projects in Health and Nutrition, Education and Skill Development, and Sustainable Livelihoods, Nayara Energy enhances the quality of life in the communities it operates in. Delivering value for all our stakeholders is at the very core of our beliefs and we are committed to providing the energy that fuels the dreams of our employees, customers, partners and communities.
