

Nayara Energy supports Jamnagar-Khambhaliya Government Hospital with medical equipment worth Rs. 84 lakhs

30 important equipment will enhance healthcare infrastructure in both districts

Jamnagar, 2026: Nayara Energy an integrated downstream energy and petrochemicals company of international scale has supported Shri Guru Gobindsinhji Government Hospital in Jamnagar and General Government Hospital in Khambhaliya with medical equipment worth Rs. 84 lakhs, as part of its ongoing Corporate Social Responsibility (CSR) efforts. The initiative aims to support healthcare infrastructure and strengthen critical medical services across the Jamnagar and Devbhoomi Dwarka districts.

The support forms part of Nayara Energy's continued engagement with communities around its Vadinar Refinery Complex, with a specific focus on addressing local healthcare needs. A total of 30 essential medical equipment have been provided to the two government hospitals to aid doctors and healthcare professionals in enhancing patient care and treatment outcomes.

Jamnagar Government Hospital has been equipped with two portable echo machines for cardiac and 20 syringe pumps-single channel machines for ICU. Similarly, Khambhaliya Government Hospital has received an anaesthesia trolley with ventilator support for surgery, a multipara monitor with ETCOs for ICU, a portable USG for critical care, an endoscopic unit for gastrointestinal, an anterior vitrectomy with compressors for cataract, a bipolar wet field cautery for ophthalmology, a tonometer for glaucoma and an autoclave machine for sterilization.

Following the installation of the equipment, the management of the government hospitals in Jamnagar and Khambhaliya conveyed their appreciation to Nayara Energy, noting that the upgraded facilities would assist medical staff in delivering more efficient and effective care. The initiative is expected to contribute positively to public health services in the region.

About Nayara Energy

Nayara Energy is an integrated downstream energy and petrochemicals company with a formidable presence spanning across the entire hydrocarbon value chain, from Refining to Retail. Nayara Energy operates in India driven by a relentless commitment to fuel the nation's energy aspirations. At the heart of our operations lies the Vadinar refinery, India's second-largest single-site refinery with a capacity of 20MMTPA. With over 6,500 Retail Outlets, we cater to the need for reliable and safe mobility across the length and breadth of the country. We have adopted a phase wise asset development strategy and have recently forayed into petrochemicals sector with a 450 KTPA Polypropylene plant which is a significant step in our crude to chemicals journey. Through sustainable development projects in Health and Nutrition, Education and Skill Development, and Sustainable Livelihoods, Nayara Energy enhances the quality of life in the communities it operates in. Delivering value for all our stakeholders is at the very core of our beliefs and we are committed to providing the energy that fuels the dreams of our employees, customers, partners and communities.
