

Nayara Energy Partners with Cancure Foundation to Support Dialysis and Palliative Care Services in Kochi

₹2 crore CSR partnership over two years to expand access to free dialysis and palliative care for vulnerable patients in Kerala.

Kochi, September 21, 2026: Nayara Energy, an integrated downstream energy and petrochemicals Company of international scale, announced its partnership with Cancure Foundation to strengthen access to essential dialysis and palliative care services for vulnerable communities in Kochi, Kerala. The two organisations formally exchanged their signed CSR Project Agreement on September 17, 2026, in the presence of the Hon'ble Chief Minister of Kerala, **Shri V. D. Satheesan**, in Thiruvananthapuram. The ceremony was attended by **Shri Prasad K. Panicker**, **Executive Chairman, Nayara Energy**, along with senior representatives from Nayara Energy and Cancure Foundation.

Through this partnership, Nayara Energy will provide ₹2 crore in CSR support over a period of two years to strengthen the delivery of free dialysis and palliative care services through Cancure Foundation's healthcare facilities in Kochi. The initiative is aimed at improving access to critical healthcare services for economically disadvantaged and vulnerable patients who face financial and social barriers to quality medical care.

Commenting on the partnership, Shri Prasad K. Panicker, Executive Chairman, Nayara Energy, said, *"Healthcare challenges often extend beyond treatment itself, placing a significant emotional, physical and financial burden on patients and their families. Through this partnership, we hope to support care that brings greater reassurance, dignity and quality of life to those navigating some of life's most difficult circumstances. At Nayara Energy, we remain committed to enabling meaningful, community-focused interventions that create lasting social impact."*

The project will support free dialysis services for patients suffering from Chronic Kidney Disease (CKD) and strengthen shelter-based palliative care through a dedicated 40-bed facility for destitute and terminally ill patients. The initiative is expected to facilitate approximately 6,000 dialysis sessions annually, provide year-round support to more than 50 dialysis patients, and deliver continuous palliative care to approximately 40 patients.

About Nayara Energy

About Nayara Energy Nayara Energy is an integrated downstream energy and petrochemicals company with a formidable presence spanning across the entire hydrocarbon value chain, from Refining to Retail. Nayara Energy operates in India for India driven by a relentless commitment to fuel the nation's energy aspirations. At the heart of our operations lies the Vadinar refinery, India's second-largest single-site refinery with a capacity of 20MMTPA. With over 7000 Retail Outlets, we cater to the need for reliable and safe mobility across the length and breadth of the country. We have adopted a phase wise asset development strategy and have forayed into petrochemicals sector with a 450 KTPA Polypropylene plant which is a significant step in our crude to chemicals journey. Through sustainable development projects in Health and Nutrition, Education and Skill Development, and Sustainable Livelihoods, Nayara Energy enhances the quality of life in the communities it operates in. Delivering value for all our stakeholders is at the very core of our beliefs and we are committed to providing the energy that fuels the dreams of our employees, customers, partners and communities.

About Cancure Foundation

Cancure Foundation, established in 2015, is a not-for-profit organization committed to improving access to essential healthcare services for vulnerable communities. The Foundation operates a state-of-the-art dialysis centre for economically disadvantaged patients and a palliative care centre for destitute and terminally ill individuals. It also extends financial and medical assistance to cancer patients from economically weaker backgrounds, conducts free cancer-screening camps, and raises public awareness about cancer prevention and the importance of early detection across Kochi and surrounding areas in Kerala.
